

Axonometric view of Sarah

Developed alongside leading architects, the *Sarah* effortlessly divides the showering and W/C area.

Opaque satin etched glass comes as standard.

Full pricing and technical overleaf.

FB = Frameless Bespoke
 PDPDP = Panel + Door + Panel + Door + Panel + Divider

We provide the know-how.
You bring the creativity.

It was working this way with the designers across two super-prime developments that the Sarah was born.

A variation of this shower and W/C enclosure was first created in 2017. Developed to meet Finchatton's ambitious design intent for 20 Grosvenor Square, the former command centre for General Eisenhower's Operation Overlord. The design has since evolved through several iterations, each crafted to meet the need of architects and designers over a series of bespoke projects.

This ethos of creative collaboration, whereby our expertise is melded with a designer's vision, is intrinsic to Majestic and echoed by the approach Sarah Roche has taken with clients throughout her Majestic career. It is with a deep sense of gratitude and appreciation that we have chosen to name this enclosure after her.

Sarah joined Majestic in 2003, created our Specification department from scratch and has worked on some of the finest developments in London. To name a few, these include One Hyde Park, St. Pancras Renaissance Hotel, The Shard Residences and No. 1 Palace Street.

"There has been a great deal of research into the ways design and the built environment affect our mood and wellbeing.

When you have high quality and beautiful things around you, that you see and use every day, they're a pleasure to have in your life."

Sarah Roche
Specification Consultant
